

PPPCS Diversity and Inclusivity Statement: June 2015

At Patterson Park Public Charter School, it is our privilege to serve a diverse community and our responsibility to foster inclusivity. We assert these values as the foundation for nurturing all of our students, realizing our mission and preparing our students for success in a global society.

We are committed to including individuals with diverse perspectives and experiences in our decision-making processes because it is integral to achieving academic excellence, challenging inequality and combating biases. We place a special importance on recruiting, hiring and retaining teaching staff that shares similar racial or ethnic backgrounds or life experiences as our students. We are dedicated to ensuring diversity in our curriculum and in our learning spaces and operations to promote tolerance, civility, and diverse world views for our community.
